SUPPLEMENTARY INFORMATION: In accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App. 2), USDA established an advisory council for Native American farmers and ranchers. The CNAFR is a discretionary advisory committee established under the authority of the Secretary of Agriculture, in furtherance of the Keepseagle v. Perdue settlement agreement that was granted final approval by the District Court for the District of Columbia on April 28, 2011.

The CNAFR will operate under the provisions of the FACA and report to the Secretary of Agriculture. The purpose of the CNAFR is (1) to advise the Secretary of Agriculture on issues related to the participation of Native American farmers and ranchers in USDA programs; (2) to transmit recommendations concerning any changes to USDA regulations or internal guidance or other measures that would eliminate barriers to program participation for Native American farmers and ranchers; (3) to examine methods of maximizing the number of new farming and ranching opportunities created by USDA programs through enhanced extension and financial literacy services; (4) to examine methods of encouraging intergovernmental cooperation to mitigate the effects of land tenure and probate issues on the delivery of USDA programs; (5) to evaluate other

methods of creating new farming or ranching opportunities for Native American producers; and (6) to address other related issues as deemed appropriate.

The Secretary of Agriculture selected a diverse group of members representing a broad spectrum of persons interested in providing solutions to the challenges of the aforementioned purposes. Equal opportunity practices were considered in all appointments to the CNAFR in accordance with USDA policies. The Secretary selected the members in December 2016.

Interested persons may present views, orally or in writing, on issues relating to agenda topics before the CNAFR. Written submissions may be submitted to the CNAFR Contact Person on or before June 12, 2018. Oral presentations from the public will be heard at approximately 4:00 p.m. to 6:00 p.m. on June 20, 2018. Individuals interested in making formal oral presentations should also notify the CNAFR Contact Person and submit a brief statement of the general nature of the issue they wish to present and the names, tribal affiliations, and addresses of proposed participants by June 12, 2018. All oral presentations will be given three (3) to five (5) minutes depending on the number of participants.

The OTR will also make the agenda available to the public via the OTR website (<http://www.usda.gov/tribalrelations>) no later than 10 business days before the meeting and at the meeting. The minutes from the meeting will be posted on the OTR website. OTR welcomes the attendance of the public at the CNAFR meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Abby Cruz at least 10 business days in advance of the meeting.
